Subject Index for Transactions of American Foundrymen's Association for 1905.

Accounting, Cost Keeping for the Foundry 45
" for Lessening Costs and Increasing Efficiency 13
" Foundry Costs 95
Alloys, Variations and Properties of 112
Alumino-Thermics 107
Blowers, a Comparison of Fan and Positive Pressure 53
" Piping and Cupolas at the Plant of the Michigan Stove Co ..... 23 and 70
Brass Foundry Flasks, Practical 19
Business, Needed in the 15
Cast Iron, the Effect of Manganese in Low Silicon 17
Coke Melting Ratio, Retort ..... 5 and 71
Convention Notes 83
Core Sands 100
Cores, a Modern Method of Venting 43
Cost Keeping for the Foundry 45
Costs, Foundry 95
" Production 71
Driving Wheels, Repair of with Thermit 110
Exhibits at New York 82
Fan and Blower Tests, Discussions on 75
" Blower vs. Positive Pressure Blower 53
Flasks Practical, Brass Foundry 19
Foundry and Pattern Shop Standards ..... 32 and 76
" Combination, a Successful 20
" Costs 95
" Facings ..... 88 and 94
" Foremen's Session 73
" Industry, Tendencies in the 118
" Practice, Some Thoughts on Modern American 15
" School, a Practical 60
" Things Needed in the 16
" Trade Schools, Report of Committee on 69
Laboratory, a South German 117
Manganese in Low Silicon Cast Iron, Effect of 17
Melting Ratios, Notes on Some, Retort Coke 5
" Steel With Cast Iron 8
Metal Mixers for Foundries 10
Molder, Making a ..... 51 and 71
Organization Shop 111
Pattern Insurance 68
" Shop and Foundry Standards ..... 32 and 76
" Shop, Better Conditions in the 35
Patterns, Care and Storage of 26
Pig Iron Warrant System 72
Pipe Foundries, Notes on ..... 10 and 70
Plaster-of-Paris in the Foundry, the Use of 12

Subject Index—Continued.

President's Address. 65
Progress, The Prose and Poetry of, ... 41
Propeller Wheel, A Simple Method for Molding a..... 22
Sands, Core 100
School, a Practical Foundry..... 60
Schools, Report of Committee on Foundry Trade, ... 69
Secretary's Report 67
Semi Steel. 8
Shop Organization. 111
Silicon, Determination of in Pig Iron. 43
Standards, Foundry and Pattern Shop..... 32 and 76
Steel, Melting of with Cast Iron..... 8
Tendencies in the Foundry Industry..... 118
Themit, Repair of Driving Wheels with..... 110
" The Use of in a Railroad Shop..... 38
" Use of, ... 107
